## ABOUT

I am a passionate and motivated software engineer, eager to kickstart my career in the industry. With a solid foundation in programming and a strong desire to learn and grow, I am excited to contribute my skills and make a positive impact on innovative software projects.

## EDUCATION

<b>HAL School</b>	<b>2016-17</b>
<ul style="list-style-type: none"><li>• High School</li></ul>	
<b>HAL School</b>	<b>2018-19</b>
<ul style="list-style-type: none"><li>• Intermediate - Science</li></ul>	
<b>Shri Ramswaroop Memorial College of Engineering and Management</b>	<b>2019-23</b>
<ul style="list-style-type: none"><li>• Bachelor of Technology - Electronics and Communication</li></ul>	

## SKILLS

- **Programming Language:** C/C++, SQL
- **Web Development:** Html, CSS, JavaScript, Bootstrap
- **Core Subject:** Object Oriented Programming , Operating System , Data Structure and Algorithm
- **Database:** MySQL
- **Additional:** Software Development Life Cycle

## WORK EXPERIENCE

### Summer Internship

- **DIGIPODIUM- MERN STACK DEVELOPMENT**
- Worked on HTML , CSS , JavaScript
- Technology used - React.js , Node.js , Express.js
- Project - Embeddable Plugin for Newsletters

## PROJECT

### Embeddable Plugin of Newsletters

- **Embeddable Newsletter Plugin:** Developed using React, Node.js, express.js, MongoDB for embedding customizable subscription forms into websites.
- **User Authentication:** Implemented secure user registration and login system using Node.js, Express.js, and MongoDB for user management.
- **Dashboard Interface:** Created a user-friendly dashboard interface where registered users can manage their subscription settings and access the embeddable plugin code.
- **Embeddable Code Generation:** Provided users with a dynamically generated JavaScript snippet in the dashboard, enabling easy integration of the newsletter plugin into their websites.

## AWARDS & CERTIFICATES

- Mern Stack Development
- Quiz on RTE and Child Welfare
- C Programming Course
